5.0 EVALUATION AND EXAMINATION

5.1 Lectures and Tutorial Sessions

5.1.1. Depending on the course requirements, a variety of teaching methodologies which include classroom lectures, seminars, presentations, group discussions and off-campus assignments will be used throughout the curriculum. Students are expected to attend a minimum of 80% percent of these classes/activities and this will be strictly taken into account when recommending them for the end-semester examinations. Some courses shall have off-campus assignments in which the students, as individuals or groups, are required to visit organizations.

5.1.2. In addition to lectures, separate tutorial sessions will be conducted with respect to all course modules. Tutorial sessions are important in both clarifying issues and recognizing the assessment style of each course and therefore students are expected to participate in these sessions regularly.

5.2 Student Performance Assessment

5.2.1 Student performance assessment will comprise both Continuous Assessment (CA) and End Semester Examinations (ESE). If not stated otherwise, for the final grading of the course, the marks assigned for the Continuous Assessment and End Semester Examination will be as follows:

Continuous Assessments (CA)	40% +/- 10 %
End Semester Examination (ESE)	60% +/- 10%

5.2.1.1. Continuous Assessments (CA)

The lecturer concerned at the commencement of the lecture series will determine how the Continuous Assessment component will be conducted in accordance to the

curriculum. This will be included in the course outline which will be made available for the undergraduates on the very first day of the lecture series.

5.2.1.2. End Semester Examinations (ESE)

The End Semester Examinations are done through written examinations in a supervised environment. The question papers will be set by the lecturer concerned and will be moderated by a senior academic within or outside the SAB Campus, CA Sri Lanka. The duration of the question papers (if not stated otherwise) shall be a maximum of three hours. The answer scripts will be marked by two marking examiners.

5.2.2. The course module BSAA 42036 Dissertation will be assessed as follows:

Research Report	50% marks
Viva Voce Examination	50% marks

Thus, the research report will be assessed in two phases.

5.2.2.1. Phase I Research Report - The research supervisor who will be appointed by the Board of Studies (BoS) will perform the first assessment with 50% percent marks. If the research supervisor is satisfied with the progress made by the candidate, supervisor will assign marks for the BSAA 42036 Dissertation and will inform the research coordinator to call the respective candidate for a Viva Voce Examination.

5.2.2.2. Phase II Viva Voce Examination - The candidate will make a presentation on the research report s/he submitted under BSAA 42036 Dissertation.

5.2.3. The Board of viva voce examination shall consist of:

- Research Supervisor
- Two Independent evaluators appointed by the BoS.
- Research Coordinator

5.2.4. The final mark for the BSAA 42036 Dissertation will be arrived at by considering the marks assigned by the Research Supervisor and the Board of the Viva Voce Examination.

5.2.5. BSAA 31044 Internship in Accounting I, BSAA 32054 Internship in Accounting II, BSAA 41054 Internship in Accounting III, BSAA 42044 Internship in Accounting IV will be assessed at the end of the respective semester. For this purpose, the student trainee is expected to maintain a daily Training Records through digital system. The Training Supervisor who will be Approved by the SAB Campus, CA Sri Lanka will also be the mentor who will ensure that the areas specified for that particular semester are adequately covered by the undergraduate. The Training Supervisor will certify that the required training is undergone by the respective student trainee under his/her supervision.

5.2.6. SAB Campus, CA Sri Lanka will maintain close rapport with the Training Supervisor in the industry where the student trainee is undergoing training, ensuring that the appropriate training is given to the student trainee.

5.2.7 The performance of the student trainee shall be assessed based on the following five components for all four-course units coming under the Internship in Accounting.

I. Requirement completion (5% of the total)
II. Evaluation of Student Records (40% of the total)
III. Evaluation by the Training Supervisor (10% of the total)
IV. Internship Report (25% of the total)
V. Viva voce examination (20% of the total)

5.2.8 The viva voce examination will be assessed by a panel of members appointed by the BoS. The panel of the viva voce will consist of;

- Academic Supervisor (the academic staff member in charge of the internship, appointed by the SAB)
- One Independent evaluator appointed by the BoS.

(Please refer to the Internship in Accounting Handbook of SAB Campus, CA Sri Lanka for further details)

6.0 GUIDELINES FOR HANDLING CONTINUOUS ASSESSMENTS

6.1 Assignments for continuous assessment shall take the form of in-class tests, presentations, projects, take home assignments, case studies, interviews/oral examinations etc. and any such assignments shall be announced at the commencement of the course and to be completed before the End Semester Examination.

6.2 For all types of assignments, an assignment guideline shall be issued which may include essentially;

I. The objective of the assignment

7.0 BY-LAWS

EXAMINATION REGULATIONS OF THE BACHELOR OF SCIENCE (GENERAL/HONOURS) IN APPLIED ACCOUNTING DEGREE PROGRAMME

7.1 Introduction

These regulations set out the criteria and other conditions relating to examinations of the BSc. (Applied Accounting) Degree conducted by the School of Accounting and Business (SAB) of CA Sri Lanka. Any interpretations of these regulations shall be submitted to the Board of Studies (BoS). The decision of BoS shall be final. These regulations shall be effective from the Academic Year 2016 and thereafter.

7.2 Student Performance Assessment

The student performance will be assessed under two components:

- Continuous Assessment (CA)
- End Semester Examination (ESE)

7.3 Final Marks

The final marks for each course followed and tested shall be arrived at by adding the CA and ESE marks earned by the candidate.

7.4 Grading Scale

Marks obtained in respect of a course unit will be graded according to a twelve-category system shown as follows:

Table 02: Grade and Grade Points

Range of Marks	**Grade**	**Grade Point Value**
85 – 100	A+	4.00
70 – 84	A	4.00
65 – 69	A-	3.70
60 – 64	B+	3.30
55 – 59	B	3.00
50 – 54	B-	2.70
45 – 49	C+	2.30
40 – 44	C	2.00
35 – 39	C-	1.70
30 – 34	D+	1.30
25 – 29	D	1.00
00 – 24	E	0.00

Students should complete all course units that they have registered for and if they fail to produce valid reasons for not completing a particular course unit a grade of 'E' will be given.

7.5 Grade Point Average (GPA)

Grade Point Average (GPA) is the credit-weighted arithmetic mean of the Grade Point Values and the GPA is determined by dividing the total credit-weighted Grade Point Value by the total number of credits.

GPA shall be computed to the second decimal place.

For example, a student who has completed five course units each of four credits and two course units each of two credits with grades A, C, B+, D, C+ and B, A+ respectively would have the GPA.

$$GPA = \frac{\sum_{i=1}^{n} (Credit\ Values)_i \text{ x } (Grade\ Points)_i}{\sum_{i=1}^{n} (Credit\ Values)_i}$$

Example: (4 x 4.0 + 4x 2.0 + 4 x 3.3 + 4 x 1.0 + 4 x 2.3+ 2 x 3.0 + 2 x 4.0)

$$= \frac{(4 + 4 + 4 + 4 + 4 + 2 + 2)}{24} (16.0 + 8.0 + 13.2 + 4.0 + 9.2 + 6.0 + 8.0)$$

$$= \frac{64.4}{24}$$

= 2.6833

= 2.68

- The final GPA is calculated to two decimal places, with the second decimal rounded off based on the value of the third decimal

7.6 Passing or Failing a Course

A candidate shall be deemed to have passed in a course if s/he obtains 40 percent of the allocated marks for Continuous Assessment (CA) and 40 percent of the allocated marks for End Semester Examination (ESE).

However, if a candidate obtains an overall mark average of 40 % or above and an ESE Examination mark in between 35% - 40% s/he will be capped for maximum of C grade.

7.7 Eligibility to Sit for an End-Semester Examination (ESE)

A candidate shall not be permitted to take the end semester examination unless s/he has;

- at least 80% percent attendance at lectures and tutorials,
- Pass the CA components before ECE
- Complete the semester payment
- An undergraduate who does not achieve 80% percent attendance at lectures and tutorials may present a valid reason to the Registrar, which must be approved by the Director

The valid reasons for such absence are:

7.7.1 Serious ill health of the candidate: in such case, the undergraduate shall submit a medical certificate obtained from a Medical Officer.

7.7.2 Death of a close family member, (i.e., parent, sibling, spouse or child): the death certificate along with documentary evidence to show the relationship with the deceased should be submitted.

The relevant documents explaining the valid reason/s should be submitted to the Registrar of the SAB before the submission of the exam application form.

7.8 Absence from the End Semester Examination (ESE)

Every candidate who registers for an End Semester Examination shall be deemed to have sat the examination unless he/she is permitted by the BoS for a valid reason to withdraw from such examination on a ground acceptable to the BoS.

These documents should be submitted to the Registrar within 14 days from the date of examination of the respective paper/s.

If a candidate is absent for the End Semester Examination, the following symbols shall be indicated appropriately in the Semester/Final result sheet.

Absence due to:

- Medical reasons which has been approved by the Board of Studies: 'MC' (on medical grounds),
- A reason acceptable to the BoS: 'DFR' (Deferred),
- Absence without an acceptable excuse: 'AB' (Absent)

If the absence is without a valid reason either for ESE or/and CA, the student shall be given a '00' (zero) mark. Such candidates shall sit the ESE and/or CA on the next immediate occasion s/he gets and s/he will be entitled to a maximum of 40% percent mark, i.e., a 'C' Grade.

A student may withdraw from a course at any time during the semester on valid medical grounds with documentary proof presented to the Registrar of SAB to be approved by the Board of Studies.

A student who obtains a grade of 'D' or 'E' shall repeat that course in a subsequent semester. In such cases the mark to be taken into consideration in determining the award of classes shall be 'C' grade (2.00 grade point) irrespective of the actual mark obtained, even if the actual mark scored is higher.

A student who earns either a grade of 'C-' or 'D+' in a particular course may sit the repeat examination for the purpose of upgrading. The highest grade attainable in this instance would be a 'C' (40% percent marks). In the event of a student earning a lower grade, the previous grade would be upheld.

7.9 Release of Results of the End Semester Examination

End Semester Examination results will be released to the candidates within eight weeks from the last day of the examination series.

7.10 Passing an End Semester Examination

A candidate shall be deemed to have passed the Semester Examinations, if s/he has earned a minimum GPA of not less than 2.00 for each semester, and has no more than one poor grade (C – or D+) per semester and has no fail grades (E or D).

7.11 To be Referred in End Semester Examinations

Repeat Examination

A student who obtains a grade below C (eg. C-, D+, D, or E) in a particular course unit may re-sit the examination in respect of that course unit for the purpose of improving the grade; the best grade obtainable in this instance is 'C'. In the event a student who obtains a lower grade while attempting to have a better grade, he/she will be entitled to the higher grade.

Re-sit Examination

A final year student who obtains a grade below C (eg C-, D+, D, or E) in a particular course unit at level 4 semester 2 examination may re-sit the examination in the next academic year (in semester 1) of that course unit/s for the purpose of improving the grade; the best grade obtainable in this instance is 'C'. In the event a student who obtains a lower grade while attempting to have a better grade, he/she will be entitled to the higher grade. Medical students will not be considered as repeat candidates.

Re-scrutiny

If a candidate is aggrieved of the results of the ESE / CA examinations s/he can apply re – scrutiny of that answer script by paying fees as described within 15 days of publication of results.

7.12 Completion of the Degree

A student shall qualify for the award of the Bachelor of Science (General/Honours) in Applied Accounting degree programme, if s/he has:

9.0 THE LEARNING ENVIRONMENT AND FACILITIES PROVIDED FOR STUDENTS

9.1 Lecture Halls

Modern classrooms and lecture halls are available to conduct the academic programme. These are equipped with modern audio-visual equipment, smart classroom facilities and other related infrastructural facilities to ensure a comfortable learning atmosphere.

9.2 Library

The students of SAB Campus will have access to the CA Sri Lanka library which consists of a lending section, a reference section, an e-learning section, and a newspaper section. Currently, the CA Sri Lanka library caters to the needs of more than 15,000 members and students, housing a wide range of books relating to Business Analytics, Accounting, Management, Economics, Commerce, English Language, Taxation, Law, and ICT, etc. In addition, a web-based online library system is also in operation which facilitates online searching, checking the availability of books, reservations, extending and a host of other in-house library services.

9.3 Computer Laboratories

SAB Campus has two well-equipped computer labs with around 70 computers and CA Sri Lanka IT training division has two modern computer centers well equipped with around 80 computers with modern multi-media facilities. All undergraduates have access to these computer centers throughout their respective academic years.

9.4 Multimedia English Language Centre (MELC)

The Multimedia English Language Centre (MELC) which was formed with the core objective of enhancing the communication skills of students of the CA programme of CA Sri Lanka will be extended to the students of SAB. The Multimedia English Language Centre contributes towards improving the language proficiency of students through network-based Computer Assisted Language Learning (CALL) programmes.

9.5 Center for Quality Assurance

The Center for Quality Assurance would be coordinating and monitoring all the internal quality assurance activities which includes, adhering to the Sri Lanka Qualification Framework, Subject Benchmarking, and Code of Practices. The main objectives would be to promote the theory and practice of the improvement of quality in higher education, enhance the quality of the degree programme in par with the national and global standards, strengthen the research culture among students and staff, meet the governing/regulatory requirements for HEIs' (when it comes to quality assurance/institutional reviews) and Enlighten all stakeholders the importance of quality in higher education

9.6 Cafeteria and Study Areas

A modern cafeteria with a lunchroom and study areas are available for the students of SAB Campus.

10.0 STUDENT SUPPORT SERVICES AND WELFARE

10.1 Student Academic Guidance and Counselling

Academic guidance for the students will be provided through an introductory programme. There will be a Students' Society formed after registering students at SAB Campus. Various student activities will be carried out either independently or with Practicing Accountants Chartered Students' Society (PACSS), which is the student body of CA Sri Lanka. Within this students' society there will be 3 to 4 student representatives appointed to provide feedback to the Head of the Department regarding the teaching-learning processes. Any issues arising with the academic staff and with the students will be dealt with by the Head of the Department with the relevant academic staff members and the students.

Any students who need special help due to mental stress could be directed for counselling services provided by an institute such as 'Sahanaya', which is the National Institute for Mental Health. Any examination-related grievances will be directed to the Board of Studies by the Head of Department. Further, the students also have the opportunity to meet relevant course lecturers personally. A few hours from each lecturer's timetable are allocated for this purpose. Within these consultation hours, the students can resolve their issues.

10.2 Career Guidance for Students

The undergraduates of SAB Campus will be provided with career guidance and internship placements during their third year and fourth year.

10.3 Scholarships

Student scholarships will be granted on the students with 3 A passes for the GCE A/L Examination.

10.4 Student Activities

- ***SAB Students' Research Colloquium (SAB SRC)***

SAB Students' Research Colloquium is the platform created for the undergraduates of the SAB Campus - CA Sri Lanka to share their research findings and showcase their scholarly talents. As a key brand of the event calendar of the SAB Campus, it is known as SAB SRC. While SAB students are getting a remarkable opportunity to present their research work and get feedback from a renowned panel of academics who are experts in their respective areas of study, this entire platform has created a worthy sphere for the SAB Campus to enrich its academic and research endeavors. Award will be provided for the student performance of the SRC.

- ***Gavel Club***

The SAB Gavel Club meetings are held twice a month with the students' and facilitators' participation. It aims to enhance students' communication skills and to provide a platform for practicing speaking clearly and confidently, receiving constructive feedback, and developing teamwork. Therein, the SAB Gavel Club is formed to empower students with essential skills for success in academics, careers, and personal life.

- ***SAB Students' Society***

SAB Students' Society conducts annual student activities such as SAB Cricket Fiesta, Blood Donation Campaign, New Year Celebrations, and Christmas Carols.

- ***ICASL Toastmasters Club***

The CA Sri Lanka Toastmasters Club is an affiliate of Toastmasters International. The communication and leadership skills imparted at Toastmaster sessions add value to the stature of Chartered Accountants and prepare them to face local and global challenges with confidence. It caters to members participating in regular speech craft programmes. The students of SAB campus will also have the opportunity to be a part of this club in order to gain a high level of training in effective presentation and public speaking.

- ***Sports Facilities***

There is an annual inter audit firms sports meet organized by the Practicing Accountants Chartered Students' Society (PACSS). Annual sports tournaments are conducted in cricket, football, swimming, marathon, basketball, netball, table tennis, carom, volleyball and badminton.An annual Awards Night is organized by the students to recognize the winners and participants in these sports activities. The Student Society of SAB Campus can work together with the students of PACSS in sports activities.

Indoor recreational facilities will be provided for the students and the staff of the SAB Campus. Carom, Badminton, Chess, Table Tennis and a Gymnasium will be established in the new building complex for the use of the students and members of the CA Sri Lanka

10.5 Student Grievances and Appeal Committee

The Student Grievances and Appeals Committee at SAB Campus is established to address students' grievances and appeals related to academic and administrative matters. Students may submit their grievances or appeals by formally submitting a written request or via email to the Deputy Registrar of the Campus.
